

~ 2001 Chevy State President's Cup ~

The Mighty Bluebird U-11 Classic soccer team won their second state championship at the 2001 Chevy Presidents Cup. The Bluebirds were dominant on their way to their second state title scoring 23 goals and allowing zero, shutting out all opponents. The Bluebirds won their first game against FC United 6-0, then won their second game against the Sting 14-0, and beat LR Futbol Club '90 (Lady Storm) 3-0 in the final. Leading scorers for the Bluebirds included Kelsey Hatcher with six goals and one assist, Haley Whisenhunt with five goals and four assists, Caroline Benton with four goals, and Courtney Sykes, Calli Roberts, and Tracy Powell all scored one goal each.

Bethany Morrison led the defense at goalie with her three shutouts and the defensive backfield of Kaylee Flowers, Caty McMains, Amanda Janton, Abby Bloom, and Courtney Sykes was dominant. It's important to remember that the forwards would not have been scoring had the midfield not controlled the game. Midfielders, Annie DeCoursey, Caroline Benton, LeeAnna Magrath, and Katie Udron did a great job controlling the midfield and this was the difference in the tournament.
